## What do we offer?

- Pick up from school.
- Homework time.
- Featured activities to keep your child engaged and foster their creative skills.
- Full day of activities days school is closed.
- We open before school for early drop-off starting at 6:30 am and take your child to school.
- Open for ages 6 and up.
- Open until 6:00 pm for flexible pickup time.

**School is important! We block off at least 30 minutes every day for our students to complete their homework in a quiet environment.**

**When weather permits we take the kids outside to play on the playground or to a local park to get some fresh air and be inspired by nature. We also use this time to play group games so our students learn team work and cooperation skills.**

## Seasonal Camps

We also offer Seasonal Camps throughout the year. Our themed arts and activity camps are the perfect place for your child to learn and have fun. We offer weekly and monthly pricing during the summer as well as other camps during school breaks.

## Featured Activities:

### Arts and Crafts

Cultivate your child's creativity in our weekly art classes! Learn to paint, sketch, sculpt, and much more with our fully stocked arts and crafts classroom.

### Construction

Build, play, and construct in our Construction area. We provide Legos and science projects to keep your child problem solving even when they are out of school.

### Reading

We offer study time every day and occasionally will have story time. Students may read and work on homework during the afternoon so they can stay on top of their studies and expand their minds.

### Critical Thinking

We offer a wide range of critical thinking games that are not only fun, but also educational. This is a great way to build communication and problem solving skills.

### Outdoor Fun!

On nice days we take small walks to the playground or field trips to the local parks to get your child outdoors and moving around.
